

About the Northern Australia Infrastructure Facility (NAIF)

NAIF is a \$5 billion development financier to provide loans to infrastructure projects in the Northern Territory, Queensland and Western Australia. NAIF's mission is to be an innovative financing partner in the growth of northern Australia. A key focus of any financing is to drive public benefit economic and population growth and Indigenous involvement in northern Australia.

NAIF Key Facts

- Since inception, NAIF has offered funding worth \$1.1bn to Western Australian projects, supporting more than 2,400 jobs.
- Working with the Western Australian Government, NAIF has now reached contractual close of \$180m in transactions in the State – a critical point of economic enablement where design and construction activities commence and job creation starts.
- NAIF has to date supported 25 projects across northern Australia, with investment worth \$2.9 billion, forecast to generate around \$9.4 billion in economic benefit, and supporting around 9,000 jobs.
- Since March 2020 NAIF has made 14 investment decisions worth \$1.7 billion. 11 projects have reached contractual close between March 2020 and March 2021, worth \$1.3 billion.

Indigenous Engagement

- All proponents applying for NAIF financing are required to provide an **Indigenous Engagement Strategy (IES)** which set out objectives for participation, procurement and employment. Positive examples of IES outcomes achieved to date include at **Onslow Marine Support Base and Kalium Lakes**.
- A Memorandum of Understanding has been signed between NAIF, Indigenous Business Australia and the Indigenous Land and Sea Corporation to explore development opportunities.
