

About the Northern Australia Infrastructure Facility (NAIF)

NAIF is a \$7 billion development financier to provide loans (or equity) to infrastructure projects in the Northern Territory, Queensland and Western Australia.

NAIF's mission is to generate transformational growth for northern Australia, with a focus on public benefit, economic and population growth and Indigenous involvement.

NAIF Key Facts

- NAIF has made financing commitments of \$3.3 billion to projects in northern Australia across 31 proceeding investment decisions. These projects are forecast to generate around \$25 billion in economic impact and support more than 12,500 jobs (during construction and operations).
- NAIF invests in a range of sectors that are all key economic drivers of northern Australia. We have supported projects across diverse sectors and industries including ports, roads, airports, tourism, education, agriculture, resources and renewable energy.
