

Privacy Impact Assessment Register

In accordance with the *Privacy (Australian Government Agencies – Governance) APP Code 2017*, NAIF publishes a Privacy Impact Assessment Register on the NAIF website on a bi-annual basis. The Privacy Impact Assessment Register lists Privacy Impact Assessments for all projects that:

- Involve a significant change to how we manage personal information; and
- Might have a significant impact on the privacy of individuals.

Title of PIA	Short Description	Date Completed
	No Privacy Impact Assessments Completed
